*Not Just Horsin' Around!*

## HORSES & HOME SCHOOLERS!

Horseplay Farms is pleased to announce our newest Youth Program—Horses & Home Schoolers--a unique Experiential Learning Program focused on Equine Assisted Education!

Our Program offers a full range of Equine Assisted Activities & Therapies (EAAT) as well as Equine Assisted Recreational & Educational Activities including, but not limited to:

- Scholastics (science including anatomy and nutrition, math, reading, etc.),
- Horsemanship/horse care (grooming, ground work, veterinary and farrier care,
- Personal development (communication, leadership, teamwork, self-confidence).

Our programs also include nature and agricultural education/activities.

Horseplay Farms is located on a 60-acre farm in Bolivia, NC. which features riding/walking trails throughout the farm.

Because we are a small, community-based organization, we can tailor programs to meet individual and/or group activities.

To learn more about Horseplay Farms, the programs that we offer, and meet the horses and staff, please join us for a “Horses & Home Schoolers”
